

## Clinical Mental Health Counseling Program Strategic Plan, 2019-2026

### 2019-2020

- ✓ Achieve full Clinical Mental Health Counseling accreditation by CACREP (2019)
- ✓ Host training event for field site supervisors to include CEU's
- ✓ Increase Marriage and Family Therapy community partners and clinical sites

### 2020-2021

- ✓ Develop additional Marriage and Family Therapy training opportunities for faculty and students
- ✓ Expand the CMHC program in Palm Coast, FL as part of JU expansion to Palm Coast
- ✓ Recruit and hire faculty to maintain CACREP 12:1 faculty/student ratio and assist in program expansion
- ✓ Establish clinical partnerships in Flagler, St. Johns, and Volusia counties
- ✓ Submit CACREP substantive change report to accredit second site in Palm Coast

### 2021-2022

- ✓ Recruit and hire faculty to maintain CACREP 12:1 faculty to student ratio and assist in program expansion
- ✓ Sustain enrollments for CMHC in Arlington and increase enrollments for the Palm Coast site
- ✓ Increase clinical partnerships in Flagler and Volusia counties
- ✓ Apply for 491 Board approved continuing education provider status
- ✓ Develop Graduate Play Therapy Certificate Program
- ✓ Apply for grant funding for a JU CMHC Community Mental Health Counseling Clinic
- ✓ Apply for grant funding to support student scholarships/stipends for 2<sup>nd</sup> year

### 2023-2024

- Write and submit CACREP mid-cycle report per accreditation requirements
- Write and submit Digital Delivery Substantive Change Report per accreditation requirements
- Sustain enrollments for CMHC in Arlington & Palm Coast
- Seek financial scholarships/stipends for JU CMHC students
- Increase enrollments in the Graduate Play Therapy Certificate Program
- Retain and support new faculty in the areas of teaching, research, service, and supervision

### 2025-2026

- Increase recruitment and retention of students from Flagler, St. Johns, and Volusia counties at Palm Coast site
- Expand partnerships with sites serving military service members and veterans
- Recruit and retain students who are military service members and veteran
- Expand partnerships with local HBCU's to recruit and retain students of color
- Maintain 491 Board approved continuing education provider status and provide training that is responsive to the needs of our community partners
- Create focus groups to assess counselor workforce shortage in collaboration with community partners
